SECRET

CIA Support to PFIAB  
For the Period 3 May 1985 to 9 September 1985

- Provided support to staffer Randy Fort in travel to California, Arizona and Texas [redacted] re CI aspects of his Mexico research. Also four Agency personnel briefed Chairwoman Anne Armstrong and staffer Randy Fort on various aspects of CI in Mexico.

25X1

25X1  
25X1

- Briefed staffer Randy Fort on transfer of SCUD missiles from Libya to Iran.

- Provided numerous briefings to member Seabury and staffer Carlin on our recruitment and training of case officers.

- Provided William French Smith a copy of D/OP's presentation concerning Agency retirement made on the Hill this past Spring.

- Provided myriad documents and briefing support to staff director Gary Schmitt regarding the Papal assassination attempt (until PFIAB staff finally was convinced by DCI that further pursuit was unnecessary).

- Provided Deputy Chairman Leo Cherne with a copy of the guidelines for release of economic intelligence.

- Briefed PFIAB member Dr. Paul Seabury on the Pacific Basin, with special emphasis on nuclear free zone issues.

- Briefed PFIAB member Wheelon and staffer Gary Schmitt on the impact of beta block drugs on polygraphy.

- DO/CI Staff met with PFIAB member Wheelon to follow up on a CI matter Wheelon had raised during his recent visit to Tokyo. Meeting was at DO request.

- NIO/SP, C/ACIS, and ICS/PBS met with PFIAB's Arms Control Task Force to discuss a number of aspects of the arms control business. PFIAB levied some tasks on NIO and ACIS at this meeting, only parts of which they intend to pursue (per C/ACIS-NIO/SP memo to DCI on 8/13/85).

SECRET

SECRET

- Briefed member Wheelon and staffer Butterworth, with a DIA representative in attendance, on SS-19 accuracy.

- Provided PFIAB with some background material on the Soviet weapons modernization program.

- Briefed staffer Butterworth and a skeptical Dr. Anderson on methodology we use to determine ICBM accuracy.

25X1

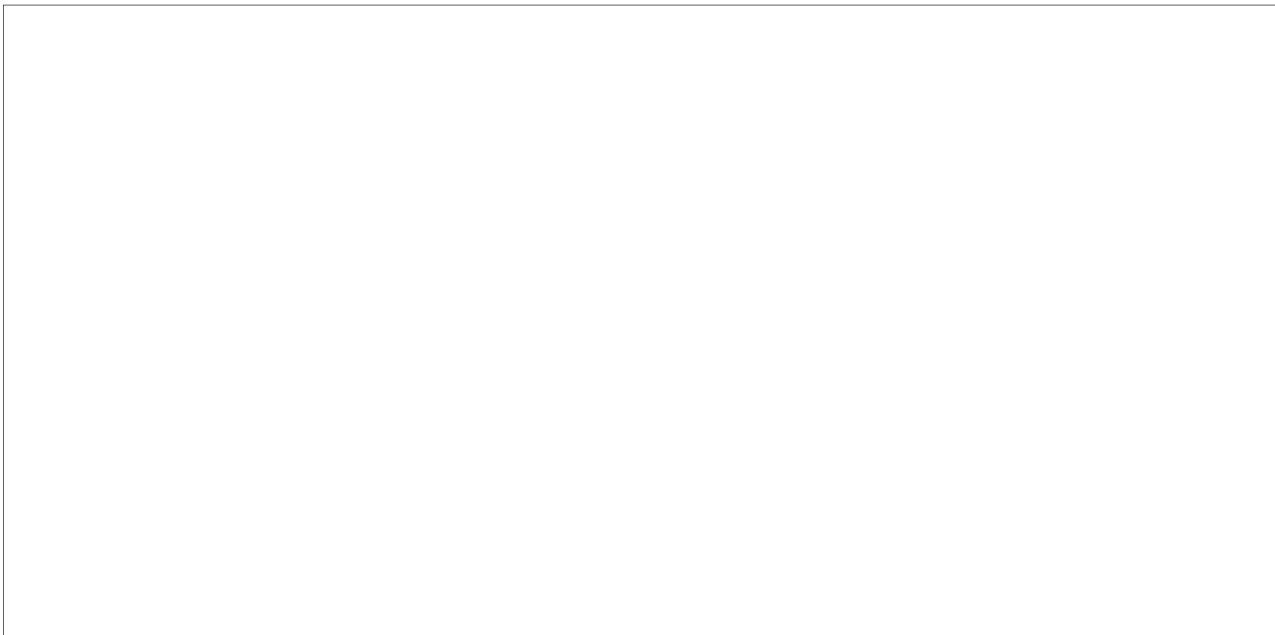

- Briefed PFIAB staffer Randy Fort on the recent elections in Mexico.

- NIO/FOIA briefed PFIAB staffers Schmitt and Fort on mission and functions of NIO/FOIA and a variety of denial topics.

- PFIAB staffer Randy Fort visited A/NIO Deception to review an arms control-related Tab (sanitized for Fort's review) of the Task Group 1, Volume 1 section of the Integrated Damage Assessment report.

- ALA completed a typescript for Randy Fort on "Mexico: An Election Postmortem."
